Book 1-5

**Storyteller:** I hope this will make you feel better. It's story time! When Caillou was three, he's got a really bad earache. And today's story is called "Caillou Visits the Doctor."

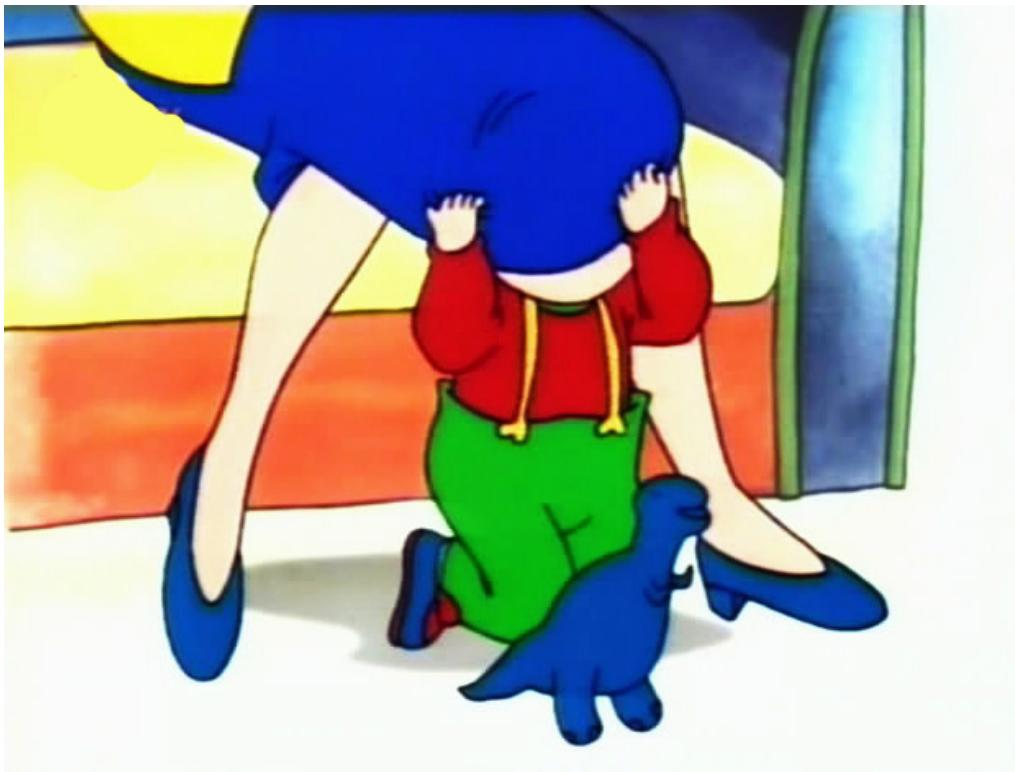

**Caillou:** I don't want to see the Doctor, Mommy.

**Mommy:** Why not, Caillou.

**Caillou:** The Doctor hurt me.

**Mommy:** You are much better now. It won't hurt this time.

**Nurse:** The Doctor's ready for you now, Caillou.

**Mommy:** Come on!

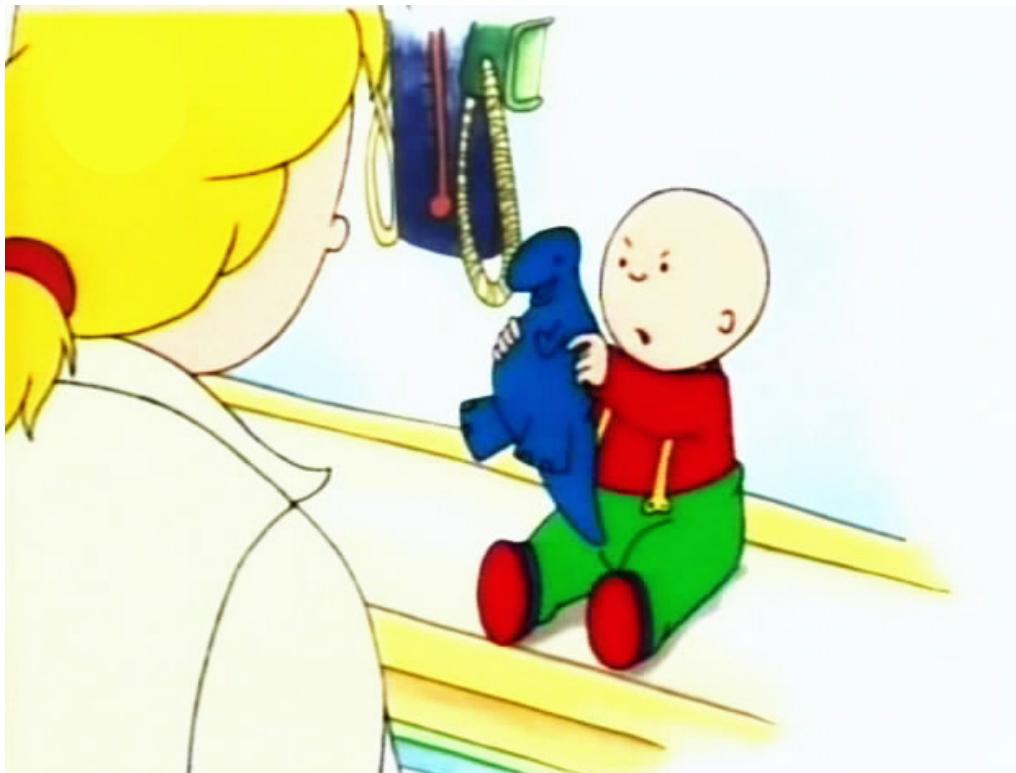

**Mommy:** Now, come along, Caillou. The Doctor is nice.

**Caillou:** I don't like her. My dinosaur's going to bite the doctor.

**Mommy:** Caillou!

**Doctor:** Hello, Caillou! How nice to see you again! Now, how's that ear coming along? Let's take a look.

**Caillou:** No, my dinosaur's going to bite you.

**Doctor:** Oh, so your dinosaur isn't happy to see me. Do you think he'd mind if I looked in your ear?

**Storyteller:** Last time, Caillou was at the Doctor's. His ear hurt him a lot.

**Doctor:** So this is what's bothering you!

**Caillou:** You put that in my ear. You hurt me!

**Doctor:** Would you like to look through it, Caillou! It's really interesting.

**Caillou:** Okay!

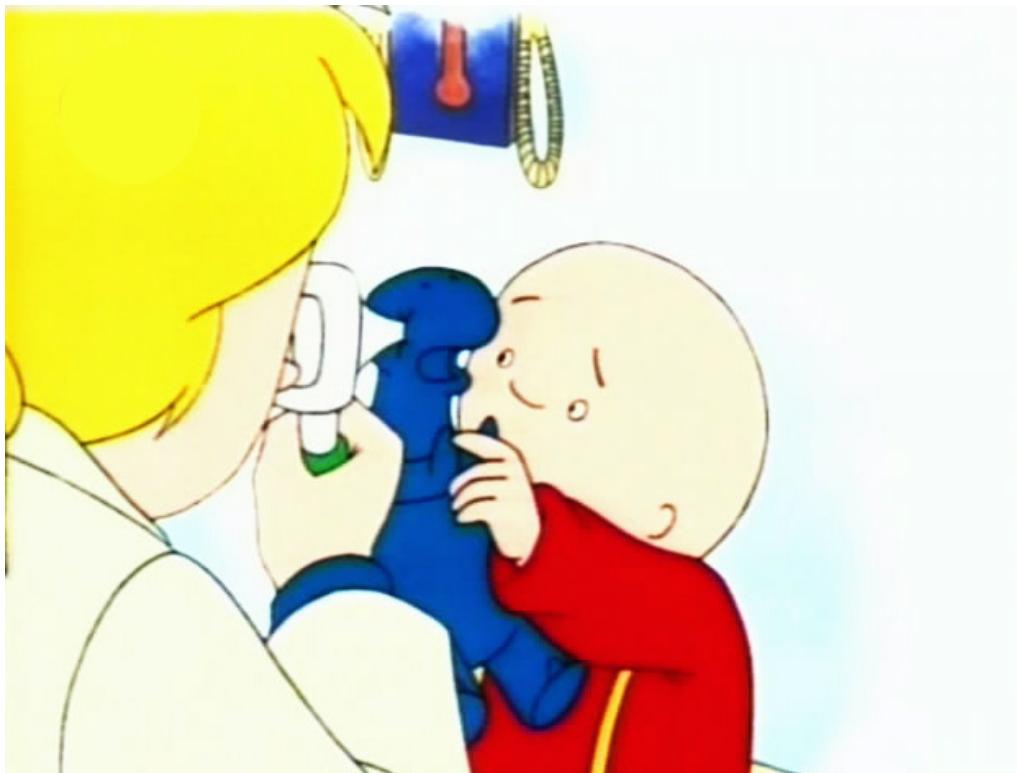

**Doctor:** Well, can I look in your ear now?

**Doctor:** You are much better, and it won't hurt like last time

**Caillou:** Okay!

**Doctor:** I'm very pleased. You will be all better in a day or two .

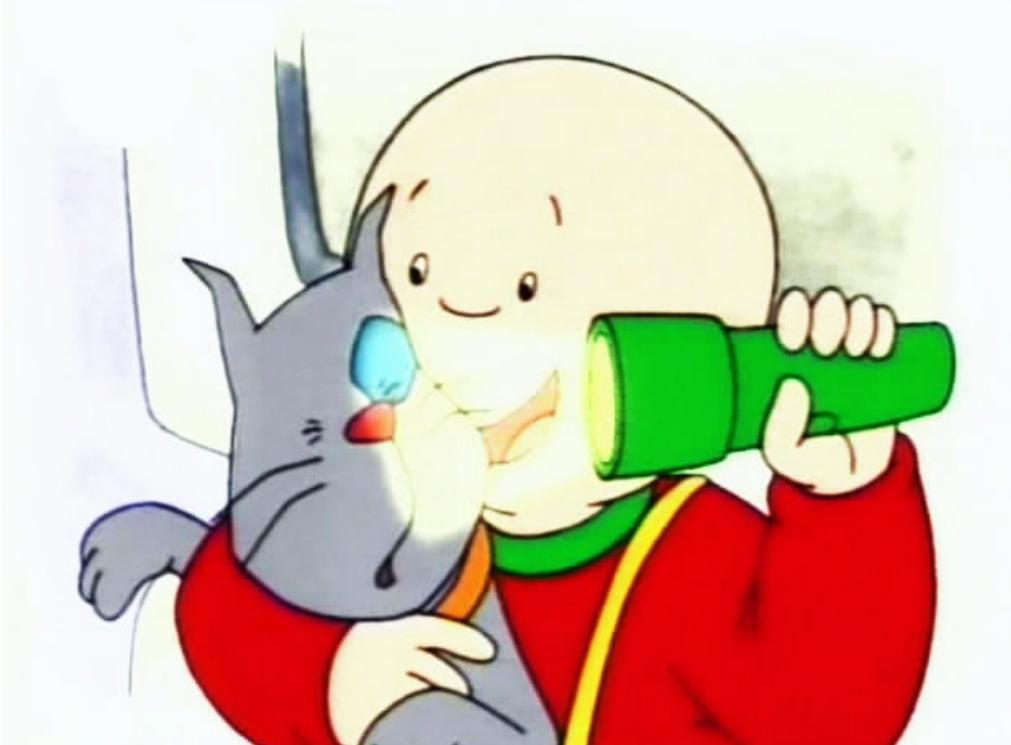

**Doctor:** Oh, no! He is not going to bite me, is he?

**Doctor:** I see. You want me to check the dinosaur's ear.

**Caillou:** Yes!

**Doctor:** I think you must have been giving him the right medicine, Doctor Caillou. Well done, Doctor Caillou. Your dinosaur's all better now.

**Storyteller:** When Doctor Caillou got home he couldn't wait to find someone with an earache

**Caillou:** It's funny in your ear, Gilbert.

**Caillou:** I want to look in your ear.

**Caillou's Grandma:** What's the matter?  
What's going on?
